Pinelli Schifani  
Studio Legale

**E-Legal***net*

The **Studio Legale Pinelli Schifani** is an Italian law firm created in 1971 and in the last years has expanded opening new offices in Italy and increasing the number of different partnership agreements with other law firms in Italy.

Our firm is founder and partner of **E-legalnet**, a national network of professional lawyers. We are thus able, whenever it is necessary to provide legal assistance in other towns in Italy, to count on a network of selected law firms that guarantee consistently **high quality standards**.

We are also able to care of our clients' interests in all **European countries and out of Europe** thanks to our correspondents and the specific know how that some of our lawyers have gained with their experiences in those countries.

Our firm deals with matters in the following **areas of practice**:

- *Administrative Law*
- *Alternative Dispute Resolution*
- *Antitrust and trade regulation*
- *Aviation*
- *Banking and Financial Law and Regulatory*
- *Bankruptcy*
- *Business start up*
- *Civil law*
- *Class actions*
- *Commercial law*
- *Consumer law*
- *Contracts*
- *Debtor and creditor*
- *Family law*
- *Fashion industry*
- *Food Market*
- *Foreign Investments*
- *Immigration and naturalization*
- *Information Technology and E-Commerce*
- *Insurance law*
- *Intellectual property*
- *Labour and employment law*
- *Litigation*
- *M&A and Venture Capital*
- *Real Estate & Project Finance*

We also care for tax law and company budgeting in our specific department under the name of "FP&C. associates".

## ASSISTANCE IN COURTS

Our law firm gives **legal assistance and represents its clients** in cases in all matters lying within its competence before civil and administrative courts, including Supreme Court of Cassation, the Council of State, and the Council of Administrative Justice.

A significant expertise has been developed in the field of **arbitration and alternative disputes resolution**.

Our assistance extends throughout Italy and other European Countries thanks to the **E-legalnet Network** and to our correspondents.

Each case is entrusted to a particular lawyer to follow who liaises with his colleagues in order to guarantee continuous assistance and speed up proceedings to whatever extent possible. Clients are promptly informed about work done and - if so required - of probable costs.

## OUT OF COURT and CONTRACTUAL ASSISTANCE

The assistance we give our clients extends to all matters lying within our competence not only during the phase of contention but also to all questions requiring **out-of-court consultancy and legal opinion**, our aim being to manage cases correctly and appropriately both in terms of the assessment of actual juridical situations and as regards possible solutions in order **to avoid reaching the courts**.

The Firm is able to provide consultancy in contract law in either traditional fields of business either advanced and newest fields, **Business to Business** and **Business to Consumer**.

Our lawyers can suggest the best suitable contractual solution for internal market or international agreements, keeping always in consideration the national and international commercial and corporate common practice.

It has a significant experience in agreements in **aviation** and related services.

Our experiences also go through **project finance** operations, protection of **trademarks and patents**, **food market** agreements, **insurance** contracts, **trusts** and **real estate**.

## ADMINISTRATIVE LAW
